ANNUAL DUES FOR 2020-21

Paving Contractor "Tier 1" - Prime, Sub., or JV Partner	\$ 10,000	Materials Supplier - rebar, dowels, admixtures	\$ 1500
Paving Contractor "Tier 2" - Prime, Sub., or JV Partner	\$ 6,000	Equipment Manufacturer/Supplier/Distributor	\$ 1500
Specialty Contractors - Grinding, Milling, Sawing, Sealing, Barrier. Paving Contractors with under \$4 million in concrete paving work* per year	\$2,500	Materials Hauler - aggregates, flyash, cement	\$1000
		Testing Laboratory & Field Testing Company	\$ 1000
Cement or SCM Manufacturer/Supplier	\$ 3000	Engineering Firms - Design, CM, Consultants	\$ 1000
Concrete or Aggregate Producer/Supplier	\$ 2000	Association, Research Group, University	\$ 500

**Contractor Dues Categories "Tiers":** Contractor annual dues are determined by calculating the dollar value of their awarded concrete pavement work\* in CA and NV over the past 3 years. This calculation results in a total value for the 3 year period that determines the dues category. **Tier 1:** \$25 million and up over the past 3 year period. **Tier 2:** \$4 million to \$25 million over the past 3 year period.

\*Concrete Pavement Work includes, Highway Pavements, Airport Pavements, Streets & Roads, Parking Areas, Pervious Paving, Full & Partial Depth Patching, Slab Stabilization, Grinding & Grooving, Joint & Crack Sawing & Sealing, Retrofitting Dowel Bars & Tie Bars, Cement Stabilized Bases, Lean Concrete Bases, Shoulders, and Barriers.

For companies applying after May 1st, annual dues will be prorated on a quarterly basis. Companies joining after October will owe dues for the fourth quarter and the following year.

Each membership entitles every employee of their company to participate in association events, receive association communications, and obtain member benefits.
